“ My memory of uncle Kenneth when we went to Georgia when aunt Betty Jean was in the hospital he was tring so hard to get to Georgia before she past Sherry was with us also he did not do much talking that night on the way i look at him and i wonder what he was thinking about i knew he might be thinking about there childhood and how much he love her like a bother would a sister we got there to late she had already pass away but he tried his best . My memory of uncle kenneth he always went to church he always read the Bible he always help his family if he could and i never knew how much him and my daddy was a like until this last summer until i help him out some.He would try to give me a little money for gas i would say i am not doing this for money uncle Kenneth i am doing it to help you out he said you are going to take this money i said no i am not i look in my purse when i got home he had slip a 5 dollar bill in it. I have many memorys of uncle KENNETH The best of all of them is he was a man of God his smile his love for his family his will to do for him self. My Uncle Kenneth was a good man i will always have fun memorys Of my uncle KENNETH Now he is with the lord and he would not have it any other way because the last few months he was not happy because of the kind of man he was. So he has gone home now to be with the Lord and his family all of them together is with the lord now.

“ I'll never forget how you and Aunt Alice took me and my little brother in when Mom went in the hospital. You also come from Tenn to Georgia to perform my marriage to my ex-husband. The last time I saw you was when Kayla was a toddler At Mary's house. You had me rolling because you were so funny. I will always love and miss you. You were the best!
