“ *Kenneth was the Gentle Ben of our class when we were in 8th grade together. He was much larger than most of us and was a quiet soul. I'm grateful to him for saving me from a harmful encounter with a very violent classmate. He invited the assailant to leave my friend alone! This halted the assault which was no match for me. The other fella was about 180 lbs and I was about 90 lbs! Kenneth didn't blink an eye and saved my life!! I saw him last at a Donelson High School football game and I forgot to thank him. I pray that he has found a peaceful joy with our Lord and Savior and his family who has passed. May he rest in peace. David M. Malin, DDS*
