“ *Still I wonder why. I don't think I will ever understand. You deserved better than this. It just doesn't seem real Daniel. Never will.*

“ *Sorry for your loss. I don't know what brought me upon a Facebook page that I recognized his name and found his obituary. I know that we went to school at Amqui together long ago and also the daycare across the road. I remember his mother was a Crossing Guard once upon a time. It's sad to see life leave this world so early. Again, I'm truly sorry to hear about this.*
