“ Kenny was the love of my life and the father to our beautiful son Joseph. We are heartbroken still. To all that called, messaged, came to the funeral home, sent flowers or cards, thank you from the bottom of our hearts. His family and friends continue to grieve Ken's loss. He touched so many lives. We miss his smile, his laughter, his jokes and most of all his love for those he cared about. We know that he is up there with his Dad and my Dad and watching over all of us. RIP babe.

“ I met Kenny when we were in the fifth grade. He was someone you always liked being around. Although I personally haven't seen him in a very long time, we recently connected on Facebook. He will always have a special place in my heart.

“ I am so sorry to hear of Kenny’s passing. He was a truly kind good hearted soul. My prayers will remain with his whole family... especially his son - whom I know he loved with all of his heart... and was so very proud of. May God’s love and peace surround and hold you all during this difficult time.
