“ Kevin's big smile and fun loving spirit have always been what immediately came to mind when hearing his name. I wish we would have had more time with you dear Kevin. You will not be forgotten by us. We love you, Patty, Mike and Avery.

“ May Kevin's memory be a blessing and source of light in these days of sadness. I'm so grateful for the opportunity to have worked with Kevin at TCH and stay in touch over the years. Katy, Sam, and then eventually, Ellis, I enjoyed hearing your dad brag on y'all every day we worked together. A tree seems like the best way to remember you, friend. The world is a bit sadder and less colorful without you in it.

“ Keith and Kevin were my best friends growing up and also my next door neighbors. I will cherish all the memories we had together. Those were the good old days. Kevin was always the peace maker of the group and if something broke he would fix it. He was sweet and so kind. He was my favorite, just kidding, I didn't have a favorite. When I think back on my childhood both Keith and Kevin were always there. I am so blessed to have been friends with the both of them. My heart hurts to separate the two, because they were always together. Kevin will be missed. Sending my love and prayers to his family.
