“ *Im so sorry about Kevin! My name is Lori Gamble Bowlin. I dated him in 1982 & he went to my Sr Prom & I went to his Jr Prom. My high school friend from Greenbrier told me of his passing. I really hated to hear that! I just wanted to send prayers to the family & comfort & strength in the days ahead. I found our old prom picture. I thought this might make his kids smile!*

“ *Cathy and girls. Gary and I moved here 4 years ago across the street. Over the years we have gotten to know the two of you. We have watched Kevin from across the street sitting on our porch work on his new Jeep and work on yours Cathy. He was always tinkering with something. Always willing to lend a helping hand. When I lost my husband many years ago there were no words that anyone could say that would make the hurt stop. It was enough to know that if I needed anything my friends and family would be there. We are here for you Cathy. Just walk across the street or give us a call. Rest In Peace Kevin. You will be missed!*
