“ I worked with Kim for several years. We became friends because we both had teenagers at the same time and we would discuss the growing pains and successes of our children. That turned into talking about our grandchildren. We talked almost every time we saw each other over the years. Kim was a kind and wonderful example of of parenting and grand parenting. Family was everything to her. She earned her way into a special part of heaven for those who put others above themselves. God bless.

“ Kim & I lived across the street from one another back in Lynwood. We were the first best friends for each other and we did everything together...school, church, riding bikes...you name it! My mom worked for her dad at his beauty salon. I loved her & her family and she loved me & mine! I am so heartbroken to hear of her passing!! There was no sweeter person ever to walk this earth! I will miss her so!
Praying God will comfort you all.

“ *Kim was the first friend I met when we moved to Lakewood and started the 8th grade. We instantly clicked because she had just moved into the area also. We were best friends up until the 9th grade. Unfortunately we had a falling out because of a silly miscommunication but then reconnected on Facebook years later and the years between just melted away. Kim was a very loving mom, grandmother, and friend and she will be missed very much. I will always have sweet memories of our friendship.*
