“ *Mr Lando gave me my first job. I helped him tend his farm and worked in his tobacco fields as a teenager. He taught me the value in hard work and doing a job right the first time. I have always held Mr Lando and Mrs Marie in the highest regard. Rich Harris* ”

“ *Mr. Lando was a wonderful man. I will never forget the first time I met him in church. He pointed to Mrs. Marie in the choir and said "You see that pretty lady, she's my wife". When Michael passed away, he and Mrs. Marie brought food and Mr. Lando took my dad for a ride and showed him around Cheatham County. He had an impact on everyone he came in contact with. He is loved and will be missed, but heaven has one wonderful angel!*

“ Mr. Lando was always like another uncle to Shannon Harris La Fleur, my brother Mic h all Greene, and myself. I can remember Mr. Lando coming to visit my grandparents, James (Buster) Harris and Moia Harris and he would take Shannon and myself or just my brother off on an adventure. We would go to Shoney's and eat. He would take us shopping. Then we would go for ice cream before he took us home.

One Christmas, Mr. Lando and Mrs. Marie gave Shannon and me a beautiful angel made of yarn. She was so beautiful. I still have my angel in the very box she was given to me in that Christmas. No a year goes by that my angel isn't on our Christmas tree.
