“ I was so blessed to grow up less than a mile from "Uncle" Larry. As a kid I remember the days hanging out with him and Jason Hatter, and just tagging along. Then years later after college he put his name on the line for me and got me the job at Mid-tenn. He was so kind, soft hearted, and if you needed him he was always there. I lost a friend, mentor, and in a sense a brother. You will never be forgotten "Uncle" Larry!! Dawn if you or Ashley need anything please call! I will always be there! I love you all and the precious family I got meet and love over the years, my prayers are with you.

“ Larry was not only my friend but a brother to me, Thursday I lost my best friend, Dawn lost her husband and Ashley lost her father. Larry was truly a family man and he has taught me to be a family man. Come Monday and the days ahead when I go to work he will always be on my mind and in my heart I will truly miss him. Lord knows that I will miss him so much but I have to carry on. Larry has been my rock for so many years. Not only did God get a special angle he got my Best Friend. Dawn and Ashley my thoughts and prayers are with the both of you for I know myself its going to be hard living day to day without Larry. I am here for you both for I know in my heart that Larry would want me to be.

“ Dawn and Ashley, I am in shock over this. I cannot even begin to know how you are feeling right now. Larry was one of a kind for sure. I remember the early years of Dawn and Larry when you moved onto the hill and became our neighbor and then the arrival of Ashley. He was so proud of his family and worked hard to build a beautiful life with them. He is gone in the flesh but a little bit of him will forever live in us who were blessed enough to be a part of this wonderful mans life no matter if it was long ago or current. My thoughts and prayers are with you all as you get through the next days. Love YOU all.
