“ Hello-so very sorry for Larry’s passing. I was his supervisor at Union Carbide in Clarksville in the early 1980’s. He was an excellent guy and a great worker. I am truly honored to have been working with him and I hope and pray his family has peace. God bless you at this time and I thank God for allowing me to have a friend in Larry. “ Condolences to Linda and family. I knew and loved the family. Grew up right down the road from them. Certainly a fine man and will be missed greatly.
