“ *Will always have great memories of Larry, his dedication, welcoming spirit, and gregarious personality surely made me feel welcome at OMC. It broke my heart to leave OMC and lose touch with great people like Larry, but he will always be fondly remembered. A great guy taken way too soon, our loss is heaven's gain for sure. Deepest condolences to Larry's family and friends. Don*

“ There were these moments that I watched  
you, moments that you didn't know  
When I cherished you displaying a love to  
your family in ways that you didn't regularly  
show.

*A man of dedication and loyalty, you weren't one to brag or boast.  
You just wanted to work hard, play hard and tinker with your boats.*

*You lived your life with integrity and held your head with such pride,  
You were a mason, you were a shiner, and loved a good Harley for  
a ride.*

*You were a collector of many things, lighthouses and knives, but  
mostly of hearts  
From all those who loved you, even still, as we part.*

*You were a great friend, loyal husband and an even better father  
You were a lending hand, a trusted neighbor, and the center of the  
world to your youngest daughter*

*You were many things to many people, you were the mend to  
bridges burned  
The figure to a void filled and knowledge to many lessons learned*

*To simply put it, you were great.  
And I'm glad that I didn't find that out before it was too late.*

*And though the time we had together wasn't nearly enough - what  
time we did have will be forever held in special place,  
Even if you are now a mental image of a beautiful man that will  
devastatingly remain an empty space.*

*As tears roll down my cheeks, I mercifully pray with every bit of love  
and faith that I have left that there really are "stars in the floor of  
heaven and he's watching over you and me"*

*And I say this while knowing that I'm currently struggling with things that I cannot see.*

*I feel like its going to be impossible to figure out just how to be okay  
With the fact that you will no longer be the echo to our families,  
"Happy Birthday."*

*This pain that resides in my heart - I don't feel words could ever  
truly express  
This hole in my soul, or this lump in my chest.*

*To some this may sound depressing, and to others it may sound like  
pain,  
But to me this feels like grief and loss coming down on me like rain*

*These days I don't find comfort in many things and I can't make  
sense of my world as we lay you to rest.  
But the one thing I can find comfort in is, knowing that when God  
took my Grand Papi, he truly took one of the best.*

*I'll forever love you.*
