“ Uncle Larry was a wonderful man! He was a huge part of my life and helped to shape me in so many ways! He was my favorite uncle, I enjoyed every minute I spent with him, he always put a smile on my face no matter how depressed or down on life that I was!! One time he told me that when things got tough to dig in harder one boot at a time until I climbed my way to the top!! He touched so many people's lives, there is no doubt in my mind that he was part of God's plan to be such a light in my life, I feel that God gave him to me: a wonderful, caring man that always showed unconditional love for me, even in My darkest hour! I don't even think he knew how special he was to me and how many times that little phrase about digging my boot in until I got to the top helped me. I thank God that he allowed me to be able to make it to the hospital and visit with him before he called him home! Uncle Larry I don't know if you could hear me as I told you how much I loved you and appreciated you. I like to think that you could, and if so, I hope in some way my words brought comfort to you. I will never forget your kind words to me and the unconditional love you showed me throughout my whole life! I have such fond memories of our family and the times we shared! What a sad time it was to get the news that you passed, but at the same time, I know that the Angels rejoiced that you finally came home. I pray dear Lord, that you comfort everyone that came in contact with Larry during his time on this Earth and that each and every one hold tight to the memories of such a wonderful man! I love you Uncle Larry and will miss you Dearly! I love you!!
