“ *Well brother you are gone but you will always be in my heart. Today my heart is broken. There was so much of our past that I want to share with you. I feel blessed to have shared several years of our wild and crazy days together. I look back at the things you Ronnie and I shared together and I just smile and laugh. Today I cry with sadness. Thank you for sharing your love for our Father with me for the last few years and for letting me know the love we shared way back when and now. There is such a pleasant source of peace knowing we shall meet again when Jesus Christ return to save us. So for now Larry I salute you my brother and thank you for all the memories. God bless your family with peace and the knowledge to understand that God's will be done.*

“ *I am beyond saddened to learn of my friend's passing. Larry and I worked together at the Nashville National Cemetery and he was always a joy to work with and to know. He was a kind, funny man. A man you could trust and a man of his word. Larry loved his family and spoke fondly of them often. Beverly, Nikki, Larry Jr., Ronnie, and the rest of the family, you have my deepest condolences and love.*

With a heavy heart and prayers, Donna
