“ Larry was a great and great mentor to me. We were neighbors for 15 years. Mr. LARRY was always there for me in my phone..
He is truly Christian, and I am who lived his fight a.
LARRY and his wife Brenda was always so very special to me and we are going to miss him terribly but we know LARRY is out of pain and with god now.
LARRY was so very funny he would always help me with any projects I was trying to do because of my visual impairment. He never wanted me up on a ladder or doing time without his help..
The one memory always come back to with him. I was coming home from work, and he was up on the ladder clownfish my gutters out. And I ask him what are you doing and he replied cleaning gutters because I don't want you up on the ladder lol. .
I will miss you my friend. May you rest in peace.

*My deepest condolences to the whole family.
Larry and I were friends before I ever came to know him as my boss.
He was a quiet man at work and led with example and strength. He mentored me a lot and I will ever be great full for him.*
