“ When Larry and I were very very young about four or five years old... we both played on the Midgets baseball team. We generally played at the fairgrounds and anybody from four or five or 16 could play. It's so hilarious being super strong. It's up to that one day and knocked it way out. He starts running from home plate to third base for third base second base second base first base.... Coach Ralph Spangler was screaming at him turn around turn around. Larry did and believe it or not he made it all the way back home.! thanks for being my friend and undefeated team mate!
