“ Imao I love #24... I catch myself sindntag in front of the pantry a lot. Fortunately I'm getting better at noticing what I'm doing so I stop and think to myself, "Am I actually hungry? Or just bored?" And then I manage to walk away.

“ It seems like yesterday that we were just starting our lives.  
And now we are coming to a time of parting.  
Sunrise, Sunset  
Is this the little girl I carried? Is this the little boy at play? I don't  
remember growing older When - did - they?  
When did she get to be a beauty? When did he grow to be so tall?  
Wasn't it yesterday when they - were - small?  
Sunrise, sunset, Sunrise, sunset Swiftly flow the days Seedlings  
turn overnight to sunflowers Blossoming even as we gaze  
Sunrise, sunset, Sunrise, sunset Swiftly fly the years One season  
following another Laden with happiness and tears  
Now is the little boy a bride groom? Now is the little girl a bride?  
Under the canopy I see them Side - by - side  
Bless the gold ring around her finger Share the sweet wine and  
break the glass Soon the whole circle will have come - to - pass  
Sunrise, sunset, Sunrise, sunset Swiftly flow the days Seedlings  
turn overnight to sunflowers Blossoming even as we gaze  
Sunrise, sunset, Sunrise, sunset Swiftly fly the years One season  
following another Laden with happiness and tears  
What words of wisdom can I give them? How can I help to ease  
their way? Now they must learn from one another Day by day They  
look so natural together Just like two newlyweds should be Is there  
a canopy in store for me?  
Sunrise, sunset, Sunrise, sunset Swiftly flow the days Seedlings  
turn overnight to sunflowers Blossoming even as we gaze  
Sunrise, sunset, Sunrise, sunset Swiftly fly the years One season  
following another Laden with happiness - and - tears.  
Sherry and Jimmy, my prayers are with you as you walk through this  
time of grieving and saying farewell.  
Sincerely,  
Vickie Warren
