“ *Some people just can't help making a difference in our lives. By simply being who they are, they make the world a little brighter, a little warmer, a little gentler. And when they're gone we all realize how lucky we all are to have known them.*

Now, may the peace of God surround all those who loved you. You will be deeply missed. You will be remembered.

~Laura Dawn Novi

"Thank you, Larry. I only met you the few times over the last couple of years. In those moments you were a leader of men in the spiritual battle between the light and the dark. May you bear the sword and shield of truth and His love evermore.

“ *To all the family of Larry's. My love and Prayers. I thought Larry was one of the best. He was kind, loving, and very handsome. I have many childhood memories of being with the Tate's. He is now out of pain and with his whole family. And I bet still doing the Lords Work that he loved so much. Love you Larry and someday we will all be together again without the many miles apart.*
