“It was so thoughtful that Larry and Jeri took time out from their day a couple of years ago... to travel to Vanderbilt Medical Center in Nashville to visit with my Mother, after she had heart surgery. Their visit meant so very much to our family. We only met Larry this one time, but he made a lasting impression.. his warm smile and concern for my mom ... told us much about him. He was truly a wonderful person, so full of life. We send our heartfelt sympathies to Jeri and her family.”

“ Thank you for walking me down the aisle,
A task you did not have to do,
Thank you for making me smile,
I will always remember you.
In this life we strive to be better each day,
Lots of little moments, not just one,
One thing I know for certain,
Is the love you held for your daughters and son.
Peace forever.

“ *It was wonderful that Larry and Jeri were able to come up to New York to spend some time with us. Distance is something that is only measured in miles. We enjoyed our time together! Thank you Larry for taking such good care of Jeri, our sister-in-law. I know you will be missed by so many with your extended family and friends. Fly with the Angels Larry!*
