“ *To My Baby Girl, First of all, I want to send to you a heart felt hug and want you to know that I love you more than you will ever know. Leah was a very special child, she taught us all how to love not only ourselves but each other. She was a miracle to you and I am so honored that I was her Nana, seeing her with you and and Allysa made my heart swell with pride knowing that Leah was so loved by all. Please keep in mind that family will always be there to support you as long as you allow them to be. Your daughter was put here on this earth for a reason and taken to heaven for a reason, a reason that we may never know but it was for a good reason, allow God to work His plan with Leah and watch what comes your way, butterflies and rose buds. Leah will never be forgotten, she will always be with you and me. I love you so much and will forever miss LeahBug. I love you Leah, don't forget Nana. Holding your hand forever and thinking of you each and every day*

“ Dear Boll Family, Please accept my heartfelt condolences for the loss of your beautiful and precious daughter Leah. Although we are not personally acquainted, I have lost loved ones in death and it hurts. I know that there is nothing that I can say to soothe your pain. However, I do know that God is love and the Bible teaches that children are "rewards", gifts from God that He gives to parents. (1 John 4:8; Psalms 127:3) So you can be sure that He would never ever take back a gift that He has given to parents because that would be cruel, unjust, and unloving.(Job 34:10,12) May you find comfort in knowing that God will reunite us with our dead loved ones in the near future by means of a resurrection right here on earth in paradise conditions filled with peace, happiness, and perfect health for everyone in the near future. (John 5:28,29; Psalms 37:9-11,29; Isaiah 33:24) May this precious hope, along with cherished memories of Leah, help to comfort you during this difficult time. Rest assured that God will do all that He has promised. (Hebrews 6:18) My deepest sympathy to you.
