“ *I struggle with words... Mom Watts was everyone's Granny...she was a bright star gone too soon. When Danny did anything (that was not so good)... "Please don't tell mom" is what he would say...he was 56 years old the last time I heard that, Then once I even heard Ray say it, and he was 59. You have to be quite the mom, and honored by your children, for your grown sons to love and respect you that much. She was one of the sweetest women I have ever known...* ”
