“ To the family:
I did not know Bill personally, but felt like I should have. I have known Ms. Joyce since 1997, when we both worked with Department of Education. We watched our grandchildren grow together, keeping up with our children and I would hear of many stories of your "Bill" his farm work, his love of horses and the cattle. I am very saddened for your loss. May GOD wrap his arms around you and your family at this time of need. Prayers being lifted for you all.
