“ He is also survived by his daughter, Holly (Perry) Chester. Somehow they forgot to mention her. He would be very proud of her if he were alive and well today. She is a bright and beautiful girl, some of which could be attributed to his genes! What a handsome fella he was. He will not be forgotten.

“ My condolences on Leon's passing. In 1958, Leon, Bernard VanHook and I joined the Navy together. As it happened, when we got our haircuts, Leon and another guy decided to go on and shave their heads with a mohawk; our Company CO didn't appreciate it and put them back two more weeks of Boot camp, so we got separated at that time . In later years I would see him occasionally in Ashland City and we enjoyed sharing memories of our youth. He will be missed.
