“ *Shocked that he has passed. I knew Len when I was young from the Roachdale area. I think the last time I talked with him was June 1978 when out of the blue I got a phone call from him. I know it has been several years since he has passed and you may never receive this, but if you do and wouldn't mind, I would love to have a picture of him. Facebook is cara williams doss. I recently lost my sister January 18, 2014 and was just randomly looking up people I used to know when I came across the notice of his passing. I know losing someone never goes away, and I am so sorry for the loss that his family has had to go through.*
