“ I remember hanging out with Libby when we lived in Yoakley hall at ETSU (1959-60). She was always so much fun. Although I did not have a class with her, I do remember our many scholarly card games. My thoughts and prayers to all her family.

“ Gary and Family: I am so sorry to hear that Libbie has passed from this world. I am sure she will assume a very special place in heaven. I remember her diligent efforts that evening in Nashville getting all of us Shipmates on a bus and headed to Opryland when all seemed hopeless. Please accept our warmest condolences from all the shipmates of the USS Constant and may God comfort you in this time of loss.

Sincerely, Charles T. Eaton on behalf of the USS Constant MSO-427

“ *What an amazing woman! I met Mrs. Libbie back in 99 when the GreenRidge Civitan Club was first chartered. I have nothing but wonderful memories of the last 14 years with her. I loved hearing her stories of her and Gary when they were first married. My last memory of her was at the park. Gary was pulling her oxygen around in front of her and she was barking like a dog. She was already sick but was still able to laugh. She was a fun lady. Your family is in my thoughts and prayers today and in the days to come. I will never forget this special lady.*

“ *I have nothing but great memories of Aunt Libbie. She was caring, fun, loving, and yes talkative. From childhood memories of spending time with the Suters in Greenbriar, Jefferson City, or at Mammaw's, or adulthood memories of reunions, camping, and card games, I loved every minute I spent with Aunt Libbie. There's a great Dawson reunion going on in Heaven today, and things just got a little livelier with Aunt Libbie's arrival. My thoughts and prayers are with Uncle Gary, Bryan, Eddie, and their families. This world was a better place with Aunt Libbie in it.*

“ I don't know if I have any perfect words to say about Great Aunt Libbie. One of kind, a gem, funny, loving, sweet and talkative all come to mind. There was nothing I loved more than sitting in a room with Libbie, Don and my Mamaw (Lougene). They would tell the best stories ever, and there was never a time of awkward silence. There was always something to talk about. I'll never forget the time I introduced her to a friend at one of the family reunions...she introduced herself as my "favorite great aunt". My heart is so sad for those who have lost such a sweet woman. My prayers, thoughts, and love go to all her family and friends. She is an amazing woman. I can only imagine the conversations going on up there with all her siblings right now. She certainly has been a blessing for all those who know her.
