“ Mrs. Brown was such a special lady to us. I will miss sitting on her couch, talking about life and showing pictures of the grandchildren. I enjoyed our talks so much. My continued prayers to her wonderful family! My heart is broken by her passing. 💜

“ This was a photo taken the last day I saw my nana at our family Christmas celebration. When I was a kid I would lay down beside her and she would rub my back until I fell asleep right here on this same couch. She was a wonderful lady but she's with my pop now and I am thankful to have had the time here with her that I did. One day we will meet again nana. Thank you for everything you have ever done for me in this life. I'll see you in the next one ❤️
