“ So many wonderful memories of fun, intelligent, sentimental, traditional, creative Linda. Our 58-years of friendship has flooded my memories with times of crazy teen-age talk to the seriousness, joy and loss of parenting, finding a lifetime love, and the various beverages of choice through the years. And her craftwork! I was amazed! God, how she'll be missed.

While we never lived in the same city (we met on a family vacation to Northern Minnesota), we wrote hundreds, probably thousands of letters, then graduated to e-mail or an occasional phone call, plus some trips to each other's homes.

Our hearts go out to all of you who loved her and are able to be together to comfort each other and share her history.

Love,
Suzi Perry

Piedmont Natural Gas and I knew her even came to her house and visited with her but it has been a long time ago. I know that she loved her family and also her pets.
