“ Dear Aunt Linda...I am sorry I did not get to see you again and have my girls meet you. Too much time passed by since the last time we shared company. I appreciate what time we did have, and your gentle, caring ways. May you be forever in peace now, with no more pain or suffering to be had of this earthly life. Your spirit lives on in the people who's lives you have touched. <3

*Ms. Lea helped me with so many health issues and spiritually. When I'm not feeling right I think back to the conversations I had with her when she was working in West Knoxville and those usually bring about an "ah-ha" moment in my mind as to what is wrong. She always reminded me to focus on what's important which is Christ. She will be fondly remembered and sorely missed. You have my sympathy and prayers at this time, Overton and family.*
