“ Linda & I met at the old Winn Dixie in Springfield store where we worked together way back in the 80's and we have been friends ever since then. Everyone thought we were sisters because we were always together. Loved all the kiddos. Linda you will be missed very much. We will see each other again one day.

“ *I regret not keeping in touch with all my cousins. I remember the days when Daddy , Mama, Donald and I used to visit Linda and brothers and sisters. We were all young and all the kids would hide except for Linda and John Robert. They would eventually come out of hiding and we would have a good visit. Linda will be missed and my prayers go out to my cousins that are left in the family. I believe they are Joyce, Hattie, Richard, Arlon and Anita.*
