“ Linda, What a Godly woman you were. A non-sense lady that knew exactly what she believed & wanted in her life. Your family was number one with you and I am so thankful that Mark found you. You made him so happy and I think he made you happy. Always loving each other, always. I know you are at peace and are happy to be in your forever Heavenly home with family and friends. May your family find peace knowing you are watching over them. You were so talented, learned so much about you that day. Give Mama & Daddy a big hug for me.

You are missed and Mark is working hard to fulfil your dream.

Love

“ Mark, I'm so sorry to hear of Linda's passing. I haven't seen you two since I left Nashville many years ago when we were all dancing the nights away as Wranglers VIPs. Those memories will live on forever. You've lost your beautiful partner for now, but I hope you find comfort knowing you'll dance together again one day. Sending prayers to you and your family.

“ Linda came to work at The Village Primary Care in 2012. I wanted to add a dispensary, and her background as a pharmacy tech was perfect for the position. She had an eye for design, and we quickly added a gift shop that became the focal point of the office. Angela worked beside Linda in the dispensary, and when John was born in 2015, he spent the first two years of his life passing every milestone with his mom and 'Aunt Linda'. What started as an employee relationship transformed into being part of the family. Over the 13 here's that Linda was at The Village Primary Care, she made a difference in countless patients' lives as well as all of ours. She will be forever missed and a part of the team and family for as long as The Village Primary Care exists.

I love you Linda and will see you again in Heaven!

I will forever be grateful to her for loving our babies as her own. Her friendship meant the world to me, and I am Blessed to have known her. She had a warm, patient, loving heart and put all of her trust in Jesus. She has now earned her own set of wings, and will forever praise Him! I will always love her, and eagerly look forward to enjoying the splendor of Heaven with her one day. Thank you for loving us Linda.... ❤️
