“ Dear Family of Lindsey Smith-Trostle,

I want you to know that I'm sorry to hear of Lindsey's passing. I knew Lindsey through orchestras in Alabama and Brevard Music Center. Lindsey had a sweet spirit and was very kind. She had a great memory as well. In the coming days, please know that I'm praying for her and your family. I'm so grateful that I performed with her in this earthly life. Sending deep condolences, sympathies and prayers your way.
