*Words will never express the pain I have in my heart. Each morning, waking up and having to face it again. I will miss him telling me he loves me each day. I will miss that smile on his face when he walked through a door. So many little things taken for granted can be gone in a minute. Logan would have been 17 years old May 25, and I cherish every second I had with this amazing child of mine. I love you Logan*

“ I was One of Logan's sixth grade teachers at GMS. I also taught McKenzie, Trevor, and am teaching Audrey this year. I remember Logan as a quiet child who was very funny. I am so sorry to hear of his passing. My heart goes out to his family. I know first hand how unbearable the pain of losing a child is. I pray that the family will find the strength to help them through not only the next few days but the days and weeks to come. May you feel God's loving arms around you.

Years ago I was graced with his presence when he was attending my Sunday school class with his sister Mckenzie. Words cannot explain his beautiful sweet nature. He was loved by his Grandparents and family and therefore was very loving in return. His family will be forever in our thoughts and prayers.*
