“ *Aunt Bunnie exhibited a warmth, grace and dignity. She was the Dean of Girls at Gem State Adventist Academy in Idaho when I was a student there four decades ago. What a wonderful, quiet and caring person she was! She helped so many of us during the turmoil and uncertainty of our teenage years, and pointed the way to Christ Jesus and showed us how to live sanctified lives, going forward in faith. My mother, Catherine Irene Glatho Walden was an elementary school classmate with Lois at Atlanta Adventist Academy in the late 1930s and early 1940s - before she and her family moved to Kansas. The McWilliam family welcomed my mom and her mom (an immigrant from Scotland) into their family, home and hearts, when they were new Christians - and became lifetime friends and family to my family -- and to me. She did a super job raising two sons on her own! Mrs. Simmons Aunt Bunnie even helped me pack up and get ready to fly out West for my own wedding. I'm enthusiastic about seeing her again soon, at Jesus' Second Coming - that Great Getting Up Morning! Remember this And I heard a voice from heaven saying, Write this down Blessed are those who die in the Lord from now on. Yes, says the Spirit, they are blessed indeed, for they will rest from their hard work; for their good deeds follow them! Revelation 14:13 New Living Translation Maranatha! With love and encouragement to the family, Church family, loved ones and friends,*

I had a ball and couldn't have had a better time! You were always so kind and loving and I'll never forget you. This is not goodbye but just until I see you again, in heaven! RIP till we meet again.
