“ *Wow, we go back a long ways. Knitting on the top of sweatshirts to coming up with ideas for cakes - she did everything and did it beautifully. Oh, how everyone at Bass, Berry & Sims loved Lora. She was a beautiful person inside and outside. She was very Special and how I have loved keeping up with her on FB. What a loss - but my goodness, she is looking upon the Face of Jesus! What a glorious way to spend her time. Singing and dancing - how glorious our Jesus is! And to think that she is with Him. Love to you Lora, Ginger Cox*

“ *I remember Lora most from hanging out at Mike Daniel's house. Mike & Brenda Daniels invited both their families and we would all pitch a tent in their backyard camping out for the entire weekend. Lora was always so sweet and so much fun to be around. I am so sorry for your loss & I will keep you in my prayers.

“ Sissy's Song

*Why did she have to go
So young I just don't know why
Things happen half the time
Without reason without rhyme
Lovely, sweet young woman
Daughter, wife and mother
Makes no sense to me
I just have to believe
She flew up to Heaven on the wings of angels
By the clouds and stars and passed where no one sees
And she walks with Jesus and her loved ones waiting
And I know she's smiling saying
Don't worry 'bout me
Loved ones she left behind
Just trying to survive
And understand the why
Feeling so lost inside
Anger shot straight at God
Then asking for His love
Empty with disbelief
Just hoping that maybe
She flew up to Heaven on the wings of angels
By the clouds and stars and passed where no one sees
And she walks with Jesus and her loved ones waiting
And I know she's smiling saying
Don't worry 'bout me
It's hard to say goodbye
Her picture in my mind
Will always be of times I'll cherish
And I won't cry 'cause
She flew up to Heaven on the wings of angels
By the clouds and stars and passed where no one sees
And she walks with Jesus and her loved ones waiting
And I know she's smiling saying
Don't worry 'bout me
Don't worry 'bout me, don't worry about me
