“ *I remember th first time I met Loretta. She had just moved to Ashland City from Las Vegas and it was quite a culture shock! She was funny and friendly and kind and generous. She always had a smile on her face and you couldn't help but love being around her. She always worked hard. I know her life wasn't always peaches and cream but she never let it get her down. She was a rock and the world has suffered a loss.*

“ *I truly feel I will remember Loretta as a fun and caring person. You haven't lived unless you took a late night taco run with her . She was one of a kind !!*
