“ You are so loved and missed. I know you are where you worked your whole life to get to, but letting you go is so hard for me. You are the most amazing person I ever knew. You never had an easy life but you always kept your faith and stayed so strong. You always put everyone else's needs before your own. God truly smiled on us when he gave us You for our Mother because he truly gave us the BEST! You will remain in our hearts forever.
