“ No matter how astray I went as a kid...and I had my moments, Uncle Roger never judged or looked at me any differently, I believe he always looked at me as his big brothers son... and his nephew!! I can't recall the specifics but there was a conversation a long, long time ago when I was in a bad way, he had a role in getting me out of it, I don't recall his exact words, but what I do recall is thinking to myself, wow!! No judgement, just some words of wisdom and a show of faith in me !!😞😞 which at the time, I'm not sure I was deserving.

I sometimes wonder if that's what turned my life around, because it surely did change for the better!!

I'm so sorry I didn't get down to see you uncle Roger, I truly am !!

Say hello to dad 🙏😞
