“*Mai was always smiling and she loved to talk with you and find out what was going on with family. When I was in elementary I remember her coming to her brother's, Don, and making homemade ice cream. She would play with the kids. She always had a smile and a hug for me! I loved her so much. She was like my grandmother. My daughter Sarah meet Ashleigh, Jason and Chasity's daughter, in middle school and what a small world it was. I went to a party at Betty's house and there was Mai. I just cried and hugged her! I had not seen her in so many years but it was like we had not been apart. She will be truly missed but what a celebration she is having now!*”

“ It has been a sweet blessing to have known Ms. Mai for the past couple of years, and to have her as part of our church family at Liberty. She always had such a sweet spirit and was so kind, gracious and encouraging. I never had the privilege of knowing her dear husband, but I know she adored him and missed him so, and I'm certain they're enjoying the joys of heaven together worshipping the Savior they both loved and served. My prayers are with Betty and the rest of the family as they carry on, holding on to precious memories and looking forward to a glorious reunion.
