“ *You will be missed, but you created a path of memories for those who were part of your life. I am proud to be your niece and blessed to have memories of you. A man who I remembered who loved the beauty of all things around him. A man and his tractors. I can go on telling the story of my uncle Mac restoring a tractor that was included in the movie, "The Green Mile." These are things that are left behind from your dreams and those dreams become reality. I will remember you as you were in good health and cherish my memory of my uncle Mac.*

May peace be with you and I send our love from my family to you.

Love ,Carolyn your niece.
