*I hit something when I was correcting the message. I will start over.*

*Kim and Family,  
Margaret was indeed a special person. She loved the children she  
worked with at the preschool and she adored her grandchildren. You  
could tell they loved her dearly as well She was always happy and jolly  
I enjoyef visiting with her when i saw her at Walmart. It must have been  
devastating to have lost your two children but amargaret kept on  
truckng with a happy spirit. She will be missed but you all have fond  
memories to cherish. She was a friend to all who knew her. I missed  
the services due to health issues*

“ I first met Margaret back in the 50's. She was a sweet sweet lady--- always a lot of fun to be around. In more recent years, we exchanged Christmas cards with notes in them to each other, and also would make an occasional phone call.. It was always a joy to hear from her. My sincere condolences to the entire Allen family. May God bless each of you.

“ I knew Margaret for over 65 years and never saw her in a bad mood. She must have had some bad moods at some point in time because life is often difficult but most of the time she was smiling. She could usually find something funny about a situation. Hers was indeed a life well lived. She leaves behind four wonderful granddaughters who will carry on her legacy and who will also touch many lives in a positive way. Love you, Margaret, and thanks for the memories. You were a wonderful addition to our family and you will be missed.
