“ I never had the privilege of meeting you, but through your daughter, Barbara, I heard much about you. I know that when we are Heaven, we will have the opportunity to meet and rejoice in the promise that only comes through our Lord and Savior, Jesus Christ.

“ I did not read my e-mail until today (Monday). I really wish we could have come to the funeral home. I know you will miss your Mother. You really looked a lot like her. Cherish your many memories you have of her. Thinking of you, Ralph and Judy

“ Nannie, I love you and miss you terribly. I can't wait to see you again one day. I keep wondering who you're with and who you see up in Heaven. I love you and my heart brakes but I know you're happy where you are. You're my angel. Manda
