“ *Margaret was my favorite Aunt and will truly be missed!! We definitely didn't have a normal aunt/niece relationship because my granddaddy decided he would have one last child later in his life. Margaret's age was so close to mine, Bobby and Brandy's ages that we grew up more like cousins! A great deal of my childhood memories involve Margaret. Bonnie was always taking us places, and being at Margaret's house watching TGIF on Friday evenings is where my love for the Golden Girls started, lol, swinging on the swing set, jumping on the trampoline sing Hanson songs, recording ourselves singing the soundtrack from Grease are some of the great times we had!! I used to LOVE to get to play in Margaret's bedroom, it was crammed full of all the best toys!! She had EVERY single Disney movie and tons of other movies! The sandlot, Grease, and the purple people eater were some of our favorite movies to watch!!! She spent the days at our house during summer breaks from school and one or all of us (me, Bobby and Brandy) spent every weekend at her house!! I will definitely miss you Margaret! I know it was such a beautiful reunion in heaven with your daddy and momma! Rest easy!!! I love you Margaret!!*

“ *Maggz was a beautiful wonderful young lady. Our daughter-in-law married to our son Jerry. We are so sad that we can't be there. Our thoughts and prayers are with Jerry and all of Maggz family. The first time we visited them in Nashville Maggz made us a Lasagna dinner. She was so nervous kept calling her Momma to come check it. It was delicious. Thank you to all of Maggz family for being there for Jerry. God Bless Deb & Chip*
