“ I can remember growing up next to Doug and Marge in the 60's. Best neighbors ever, I enjoyed growing up next to them. I know I was their alarm clock for a number of years with my car in the driveway, sorry. The Lafayette Group was one crazy bunch that we will all remember and wish we could still have. Brian and Lori, we are sorry for your lost, please try to remember only the good times and know that they are in the Best of Hands. Charles and Ruth Beadle

“ Lori and Brian - We will all miss your mom so much. She and your dad were the best neighbors any one could have. We were so blessed to call them friends for so many great years. Lafayette has never been the same since they moved to Florida. We will always keep your mom in our heart and remember all the wonderful times we had together. The Lafayette sewing club, our many adult get away week-ends, our family times at all the neighbors cottages are just a few of the many memories. You will be in our thoughts and prayers at this most difficult time. We love you all. Love, Marilyn

“ Aunt Margaret and Uncle Doug were my favorite Aunt and Uncle, they always wanted to know what I was doing and Uncle Doug always had a joke and Aunt Margaret had that beautiful voice and always made a point on knowing how you were

“ Hard to believe that my second mom and dad are gone. I will always remember the camping trips we've had. It's because of your family that I have come to love camping. It was great having such fantastic neighbors for so many years. I will always cherish the times we've shared with neighborhood get togethers, and summer vacations. Not one will ever be forgotten. Until we meet again.
