“ *My thoughts and prayers are with you all. Marie was the one that would contact me about the Hester reunion and news on that side of the family. My grandfather was Birton Shelby and was Aunt Cora Hester's brother. I just heard her name on Channel 5 and began looking to see if it was the Marie I am related to and to my great sorrow it is. She was such a very special lady and I will miss her. May God bless you and comfort you.*

“ *Marie was my childhood friend. We lived across the river from each other and played together often. I am so sorry for this tragic loss and extend my condolences to all the family, especially Harold and Cecil since they will remember me*
