“ *I'm so sorry to hear about your mother. I heard about it today at work and immediately thought back to our childhood and all the good times we had together and how good your mom was too me. All the late nights playing barbie, going to the movies and working in the concession stand. She is a great lady and forever a testimony to me. I will remember her always. My prayers are with you and your family and pray you find comfort in knowing that she's in peace, no more pain, no more tears...and waiting for the day she can take her family by the hand to be with Him forever and ever. Love ya, call if you need anything. (270) 755-4094*
