“ I just to love knowing that pawpaw was coming up to school to pick me and Will Davis up to take us to go work with Max in tobacco fields! I love you pawpaw and I know you've been waiting till the day you joined your wife again! Show them how to tend a garden up there!

“ I remember Uncle Merky from family gatherings over the years. He was was one of my favorite uncles. It was always in his character to warmly greet me and make me feel welcome. I remember enjoying vegetables from his garden that he'd send home with my dad. He was a kind, gentle man. I'm so sorry for your loss.
