“ I love you Aunt Margie. When I first met you, I thought you were as pretty as a princess ! Then, when Matt was born, you let me hold him and walk him around Mamaw and Papaw Chowning's big front yard ! I never heard you say a bad word about anyone . I can tell by the ones who have posted here and on Facebook that you were very much loved by everyone , still today . I will never forget your sweet smile and laughter . Sheree Chowning Delk

*Margie was the friend that everyone should have at least once. My best friend in high school, Margie could find humor in everything, and I felt I could tell her anything. Can't imagine my high school years without her! When I saw Margie at the last high school reunion I attended, she spoke mostly of her love for her family. My thoughts and prayers are with Margie's family and friends.*
