“ It's okay to love fully. Everyone may not be meant to be with us forever, but how they loved us lasts forever.

“ *I think the hardest part of losing someone, isn't having to say goodbye, but rather learning to live without them. Always trying to fill the void, the emptiness that's left inside your heart when they are gone.*

“ *Losing someone special  
Is a terrible thing to bear  
It's the kind of shock for which  
We simply never can prepare  
One moment we are smiling  
And the next is filled with tears  
And losing one we love does not  
Get easier with years  
But please remember you have friends  
To help and ease your way  
Who share your loss and care for you  
Far more than words can say.*
