“ *Mary Anne was one of the best people that I know. I have known her for almost 21 years and I will love and miss her every day for the rest of my life. I feel very lucky to have had that friendship with one of most caring and loving person that I have ever met. I know she loved her family very much and we talked about them often. This world will not be the same without her. I only hope that I can see her again one day.*

“ *Mary Anne was one of the sweetest kindest persons I have ever known. We worked for many years at Willis Towers Watson. She loved her family and her friends. We had many great discussions 'by the coffee pot.' To Jeff, Ashley and Rachel...I can't imagine the feelings you are having right now. But keep all those memories close to your heart. She was a very special person. Love you all.*
