“ We are so sorry for the loss of this wonderful wife, mother, grandmother, sister and friend. I feel like I have known Mary Nell my whole life. First she was such a good friend to mom and dad and later such a good friend to me and my family. She was always kind, smart, hard working and funny. I loved sharing time with her and she was so kind to our family during the illness and death of my mom. She was truly a blessing to those around her and will be missed. All her friends at Columbia Campers send their sympathy and love. We will be praying for your family during this difficult time and if you need us give us a call. Love you guys. Larry and Kim Gill

Many years ago Mary Nell and I rode the same bus to school. After we became adults and many years later I met her again and she told me that she loved getting a seat beside me because I was a senior and she was not yet that old. I loved her like a little sister. I am so sorry for her loss.

There never was a kinder, more supportive, loyal soul than Mary Nell. From the day we met in my first connection with the Bell Witch Fall Festival in 2009 until the last time I saw her this year, she was always so warm and helpful. She was such an enthusiastic and cheerful fan of "Smoke" and "Spirit." God bless the entire family.
