“ Jerry, Len, Janice, Peggy, Cara, Mandy and all of the Holman Family,

The love you have shown to your Mother has gone unnoticed. She showed the same love to her patients at the hospital and our family always wanted her when we were there. There were several LPNs that were our favorites. Now it will be the memories you will share when you get together for family gatherings not only about "Miss Mary" but your Dad and other gone but not forgotten loved ones. There will be laughs and tears as you relive through memories the days in your days at home and as young adults forward. May you feel the love of all of us who care and love you as we pray for peace, strength and thanksgiving that your Mom is now in the presence of our Lord and the saints of heaven.

You will be in my thoughts. I do not know at this time how I will feel to be able to come to visitation or the funeral.

I love you and I care.

Still recovering for doctor last Tues. and I go again to eye surgeon on Tues. afternoon. so Wed, I will be sleeping the pain away, I imagine. You are in my prayers for sure.
